

WATA COMMITTEE MEETING BULLET POINTS

Location: Oakwood Centre

Date: 13th November 2025

Time: 19.30am

AGENDA DETAILS

I. UP FOR DISCUSSION

a. New notice board for main entrance.

- As part of the project to improve the look of the main entrance WTC have agreed to provide us with a new notice board. Thank you to all tenants who helped with the working party on the 15th of November.

b. Survey Results.

- The results of the latest tenant's survey have been discussed at WTC's Leisure Services committee meeting and will be passed to the committee who will send out to all tenants on the mailing list. If you've changed email address, please update the committee with the correct one.

c. Bonfire Update.

- The first communal bonfire had to be cancelled due to the weather. The next is scheduled for 3rd of December so you have a bit more time to get any unwanted wood to the collection point by the back gate.

d. Plot Clearing.

- Work has started on clearing the vacant plots. They will be strimmed and covered with weed suppressant. Our thanks go to Sylwester for taking on this work.

e. CCTV / mast update.

- The project is proceeding to get 2 more bases for poles to mount CCTV cameras to improve security across the site. If you have any suggestions where to site them, please contact the committee.

f. Tree Survey update.

- This has started, eventually all tenants will have access to the map which will give a description of trees across the site including type, approximate height, age and health of each tree.

g. Fruit Bushes.

- The fruit bush order has arrived. Extra are available to buy. Contact Teresa. Also get your seed orders in by the end of November so as not to miss out on the discount.
